

# This app could save your life!

## Walk-2-GPS

- Loading this simple to use app on your phone may truly save your life, by giving you easy guidance back to a known location, (ie. Your car) using your mobile phone.
- Find your car in a shopping centre car park. Find your way back to camp. (Young or old can use this app.)
- This app operates regardless of mobile phone network coverage. (ie. In any remote area of the world.)

### Application:

- Mark your location as you park your car. Go for a walk and get lost. Keep your location icon in the big triangle and walk back to the car.

### Features:

- Store and name locations with 3 clicks.
- Save many locations for re-use later.
- Show /display actual GPS coordinate information.
- Import/Export locations via clipboard with other applications.
