3	5270	4:55 - 5:00pm	4:25 - 4:30pm	4:25 - 4:30pm	4:55 - 5:00pm	2:55 - 3:00pm	06:55 - 07:00
1	3175	5.00 - 5.05pm	4:30 - 4:35pm	4:30 - 4:35pm	5.00 - 5.05pm	3.00 - 3:05pm	07:00 - 07:05

- To keep sked channel selections in line with progressive changes in the solar cycle some channels may change in a specific time slot from time to time.
- Just keep up to date with each new selcall list as it comes out. Pending changes will also be announced at skeds before they take effect.

Eastern States skeds daylight saving time

- If you would like to find out about running skeds contact Geoff Riseley the Austravel sked coordinator. Sked Coordinator riverdoglabs@gmail.com
- Maybe you know someone house bound that would love to become a sked operator.
- Austravel is always looking for volunteers for skeds and training is available.
- You can be anywhere in Australia and run a sked as long as you have phone coverage.
